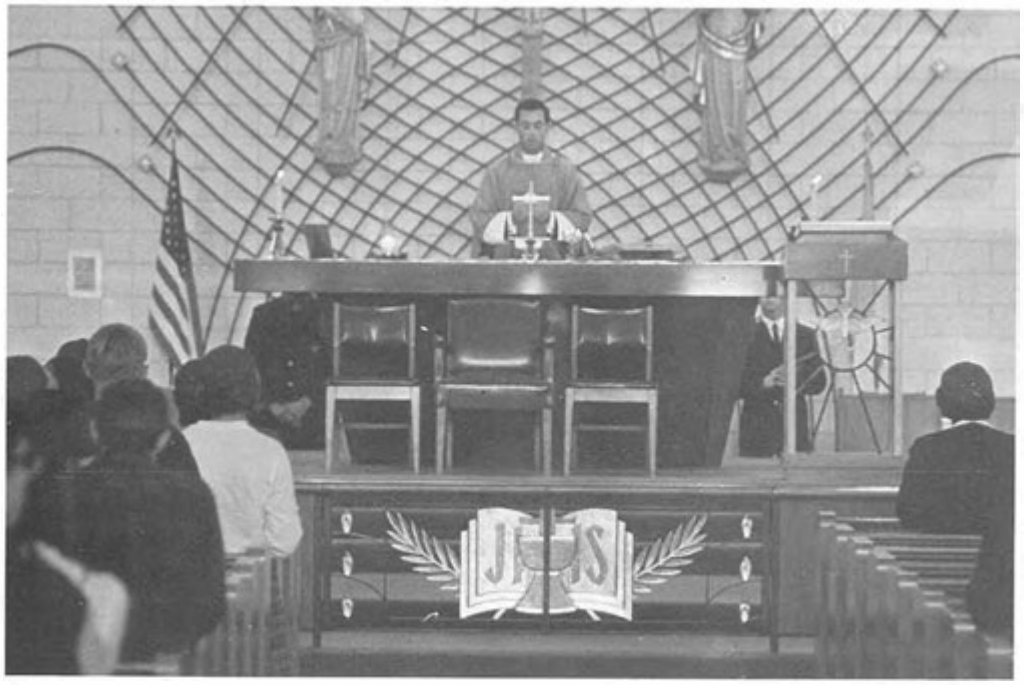
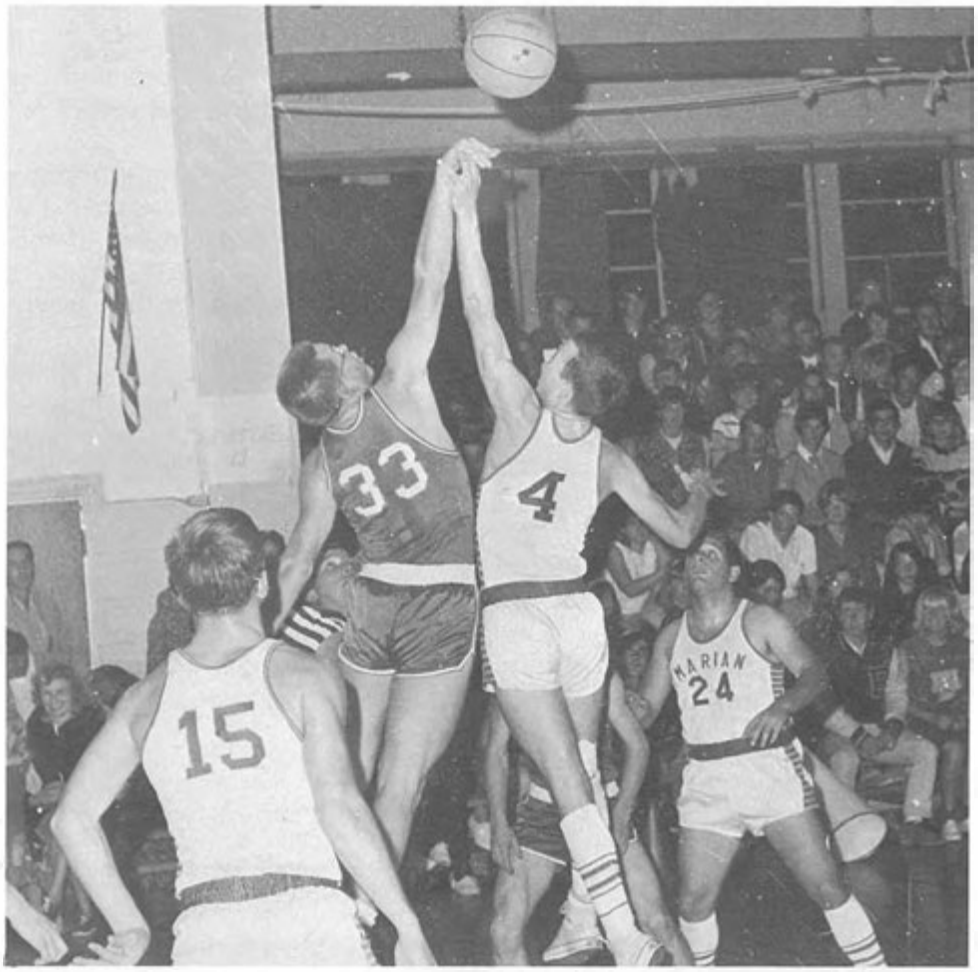
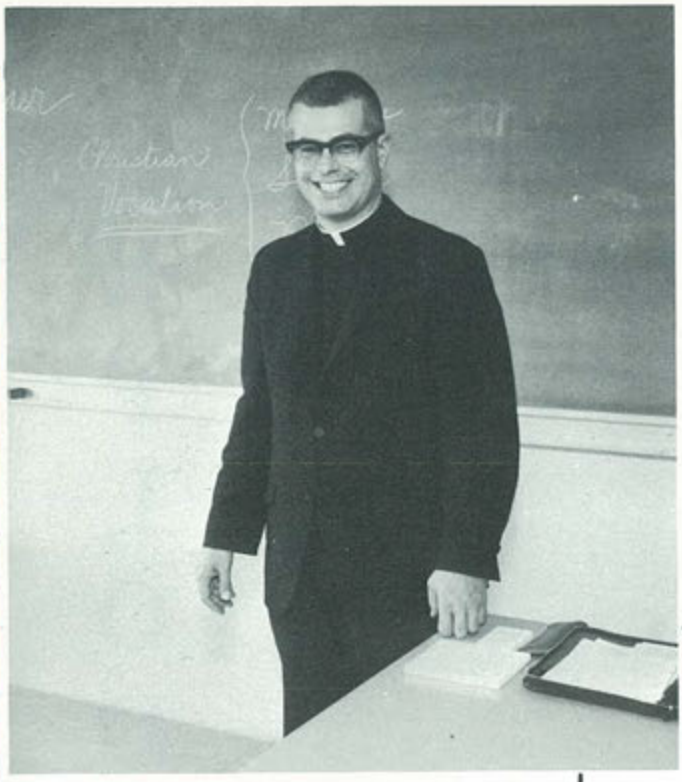
SPIRIT



EXPLODES

6
7





We dedicate this year's GAUNTLET to the very Reverend John E. Baer, first principal of Marian High School. Father is currently Director of Vocations for the Diocese of San Diego and President of St. Francis College at Alcala Park.

It is to you, the Crusader of 1967 that he directs this message . . .

To the students of Marian High:

It was less than seven years ago that the Marian Pioneers gathered for their first day of classes and viewed the empty expanse that is now your school campus. Empty, true, but already filled with the hopes and plans of a happy and well-constructed school for the future.

We started with very little, materially . . . But we started with what was most valuable: the faith of many, the prayers of many, and a determination to succeed. These, plus the "joy of doing" add up to that indispensable quality for any school: its Spirit.

Your spirit is now evident—in the classrooms, on the sports fields, throughout the entire campus; it is a spirit of friendship, of loyalty, a spirit that accepts challenge and portrays a lively Christian faith. It is the Marian Spirit—unique and worthy of a just pride.

I am grateful to have had a part in the origin of this spirit and to continue to share in its goals as it grows and develops—through you and for you.

THEIR SPIRITED ACTION LIGHTS THE TORCH OF CATHOLIC EDUCATION

Under the spirited and dedicated leadership of the very Reverend Leo F. Lanphier, Marian High School is moving with a force never before achieved in her seven years of existence. Now we of Marian can honestly say "None can surpass her in the West."

MARIAN'S ASSISTANT PRINCIPALS

Assisting Father Lanphier in his enormous task is Assistant-Principal of Boys Father Ronald Mendonca. In addition to his administrative work: Father teaches Chemistry, Math III, Religion I and is faculty advisor to the Gauntlet.

"Whate'er is best administer'd is best . . ."
—Alexander Pope

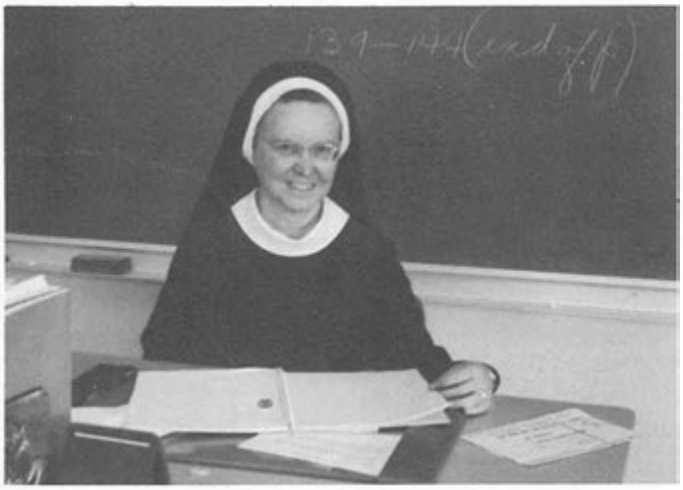
Also assisting Father Lanphier is the Assistant Principal of Girls Sister Mary Aurelia. Although Sister teaches U.S. Government, Economics, and Freshman Religion, she is well known for her constant selfless devotion to "her girls."

FACULTY

It is impossible to speak of a student body without acknowledging the center of that body's activities, that is, the faculty. It is only through the guidance of an enlightened Christian faculty that our education at Marian is possible at all.

Whether it be Chemistry or English, Math or Religion, foreign languages or History, our faculty helps us to build a window on the world around us. The sights seen from our privileged position prepare us, gradually, for the door of graduation.

Well known on campus is petite Sister Dolores Marie, who teaches Algebra I, Geometry, Senior Math, and Religion I. Revealing the intricacies of Math Analysis to her Seniors, Sister pauses for a breather.



New to our faculty this year is Sister Mary Ancilla (English III, IV, Religion I). Sister comes to Marian from Mercy High School in San Francisco.

Marian welcomes to her staff Father Beatty, PAGE advisor, whose dry wit makes Latin I, II, Journalism (?) and Religion II relaxed and interesting.

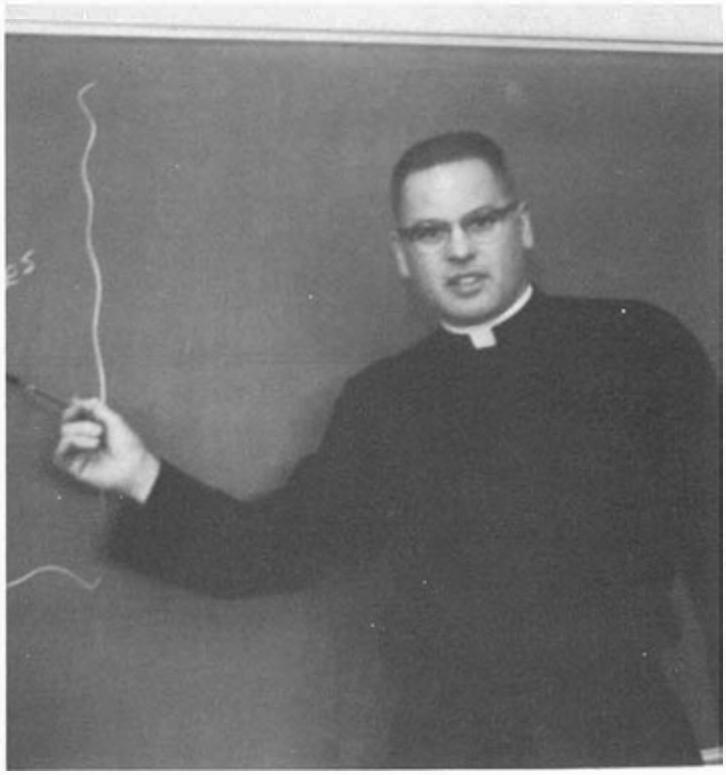
Rounding out our business education staff is Mr. Gray Elliott. Besides teaching Bookkeeping, Business Math, Economics, Business Law, and Driver's Training, Mr. Elliott finds time to coach football, basketball, and baseball, **and** spends most of his spare time helping to beautify the campus.

Examining delicate Biology slides with respect is Sister Mary Vivian (Biology, Religion II, Clothing, Art).

Hard at work drilling his pupils is Mr. Jeffrey Cerasoli (Latin III, IV, French I, II).

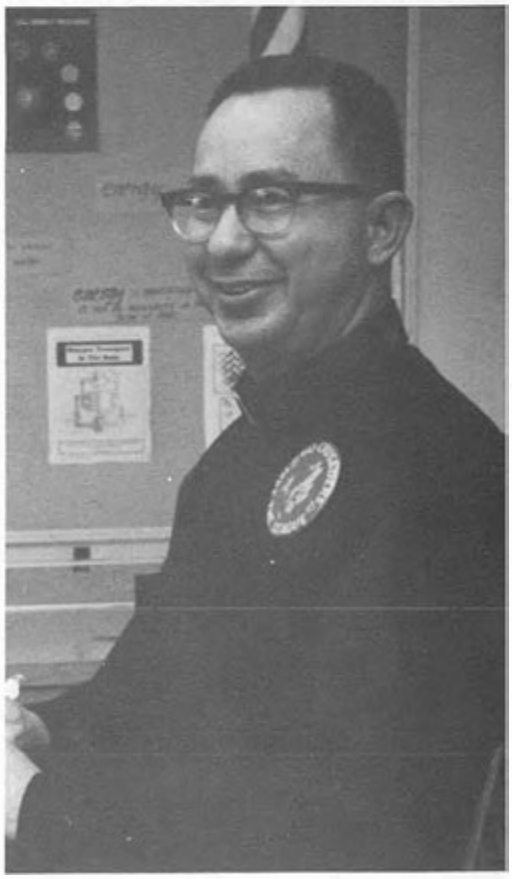
Typical of energetic and vivacious Sister Mary Lillian (Librarian, Religion IV, Spanish I, II, III, IV) is her ready smile!

Delighted with a student's response, Mr. Dennis Gustin probes more deeply into the mysteries of the earth. Mr. Gustin teaches Geology, Math I, American Government, and is the academic counselor for boys.



In his second year of teaching at Marian High School, Fr. John Bradley has broadened Marian's academic pursuits with the addition of a speech class. In addition Father teaches Religion III, IV, and counsels the students in their spiritual life.

Sparking students into new and exciting adventures in the arts seems to be the special province of Mrs. Jeanne B. Moyer (History II, III, Geography, U.S. Government). We of the annual staff would like to thank Mrs. Moyer for the interest and drive that has broadened the horizons of so many Crusaders.



Teaching his first year at Marian is Father Donald Casey (Biology, Religion II).

Mr. Jan Chapman is a good example of the progressive spirit shown by the faculty of Marian. Besides teaching History I, III, he is the coach of three varsity sports football, basketball, and track, and is the moderator of the Junior Class.

OFFICE PERSONNEL

The non-academic staff at MARIAN consists of the school secretary, bookkeeper, treasurer, and custodial staff. Contributing to the efficient management of the school program, these people often go unnoticed by students who are unaware of the various jobs performed by them. Let us introduce you to . . .

Mrs. Warner seldom has a spare moment as MARIAN'S school secretary and registrar.

If balancing MARIAN'S books was Mrs. Hrenchir's only job, she would be a very busy woman. But duty calls in many directions . . . phone, mailmen, and a thousand other indispensable chores.

Constantly on the go is our efficient treasurer, Mrs. Arnold. Besides serving in her official capacity, she attends to many jobs—such as the eternal "Do you have change?"

Our library reflects the spirit of progress that pervades MARIAN '67. Not only hundreds of new books, but spirited students daily fill its walls. Meet Mrs. Bryant, our assistant librarian.

MARIAN'S MAINTENANCE

"There is nothing small in the service of God."

—St. Francis DeSales

There is certainly nothing small about the endless work done by our maintenance staff. **Their** spirited action has been instrumental in sparking a tremendous pride in our campus.

Mr. Robert Cade, Superintendent of Buildings and Grounds, is an exceptional individual, to say the least. With bricks, concrete, or lawn mower, he seems to be tireless in his efforts to improve the appearance of our campus.

Pictured here is Mr. Charles Innman, our custodian. Affectionately known as "Charlie", students have seen him on campus for the past six years.

MOST LIKELY TO SUCCEED

TERESA (S) LEPOVITZ and JOHN (S) WARNER both share the common middle name of "Success", and will certainly open the gates to great accomplishments.

MOST DEPENDABLE

CRIS CUENCA and OSCAR PARRA may lean on the flagpole, but everyone else in the school leans on them for support.

SENIOR STANDOUTS

In every graduating class there can be found certain outstanding people who have manifested exemplary qualities of spirit, loyalty, dedication and scholastic achievement. On the following pages you will see eighteen Seniors who have consistently shown these qualities. By always striving to improve the image of todays teenagers in our community, our Church, and our school these students have shown the true Crusader spirit.

Academic libraries and challenging studies are the happy hunting grounds of CHRIS BUCEY and RICHARD GARNER.—MOST ACADEMIC of the Class of '67.

BEST PERSONALITY

Sincerity and a friendly smile will always greet you whenever you meet LUPITA GARCIA, and PAT CARMICHAEL, who have earned the title of Best Personality.

MOST HUMOROUS

There never was a group who wasn't won over by the wit and humorous antics of MARY BETH JENNINGS and MIKE DURHAM — Marian's Most Humorous.

MOST ATHLETIC

Taking the title of Most Athletic PAT McBRIDE and BOB MARUCA have shown outstanding skill and teamwork in rounding out the class of '67.

MOST SPIRITED

It would take a brick wall to stop MAXINE NOFFSINGER and DANNY PADILLA from raising spirit at Marian and they have run away with the honors they deserve.

BEST DRESSED

BARBARA JOHNSON and BILL DENTON have proven themselves to have class in fashions by always dressing with good taste which is why they were chosen Best Dressed of the class of '67.

BEST LOOKING

You don't have to look twice to see why PATSY CUMMINGS and JIM BURBAGE got together for this picture, don't you agree?

THE FACES OF TOMORROW

We are the Seniors. . . . . .

Auuuggggghhhh !

Patti cake, patti cake. . . .

Your feets too big . . .All night long

At seventh period that afternoon we all filed into the library. Someone put on a record, and sixty Freshmen girls looked across the room at sixty Frosh boys.

That was the year we first saw each other. But things happened quickly, and changes took place so rapidly that three Frosh socials later between subtle notes of laughter and ravaged yellow pencils chewn during Algebra class, we looked at one another quite differently.

Whether we realized it or not, the ties of unity which now so warmly surround us, were beginning to form then. Yet all things so good, and growing through the years, are hardly explained so simply. They come in technicolor;

RED—For Father Keith's class singing Christmas carols at the talent show . . . . . , in April!

YELLOW—For Letterman initiation as Frosh.

For dragging bleachers around the football field;

BLUE—For two canceled Sophomore dances

For our well-planned June beach party, when we got to the beach at four o'clock and the Strand closed at Five

BROWN—For protecting your lunch from swooping seagulls on the football field

For Ivy-Day, when upon our muddy hands and knees we planted ivy , , , , , , , , , , , for posterity?

GOLD—For elaborate Christmas decorations only on the lowest branches of the Senior tree

But if one moment were not to proceed to the next, if our purposes here were not those of growth and preparation, but of permanence . . . . then such memories would lose their sweetness and become dust in the wind.

It was to Marian we came for preparation and it is because we came here together that we leave prepared. For these have ben OUR years . . . . . WE . . . . the class of '67, to be . . . . moving on.

Go Navy!

Are you kidding?

Perched atop the nearest mound of popcorn balls we find the Junior class resting peacefully on crates of toothbrushes. Chant the magic words, "Buy a cupcake," and you'll find that they disappear from view and enter the world of "Muffled Madness." The Junior class is a victim of a dread disease called "Prom Panic". Symptoms: an acute tendency to sponsor fund raising projects that results in a little nervous nail biting around the month of May.

But the Junior year is more than simply prom planning. It is the beginning of the end of high school. The Junior class of 1966-67 rushed things slightly, by purchasing their Senior gift, the school marquee, while they were yet Sophomores. Their scholastic achievements are positive testimony to their possession of brains and their ability to apply them successfully. The Juniors have been highly active members of all clubs and organizations on campus.

In actuality there is only one way to describe the Junior class—perpetually gung-ho!

Sophomores are like the weather: mostly sunny with a definite possibility of dense fog in the "upper regions". It is said that the outstanding ability of the Sophomore class is the ability to do the least with seemingly the most effort. But this year's Sophomore class has successfully channeled their tons of vivacious enthusiasm into the support of every school activity.

All those, whether of the past, present, or future, who survive this year of trial are the possessors of one important grain of knowledge—the world has no defense against a smile . . .

Freshmen are all at once the darlings, the scapegoats, and the innocents of a high school. Fresh from the shelter of grade school and relatively unexposed to the rigors of being a teenager in high school, the freshman students of 1966-67 have proved themselves.

Scholastically, the freshmen have done well and in spirit they are on an equal par with the rest of the school. Everyone agrees that the freshman football rally was the best. Initiation was accepted with good humor by most. The number of freshmen participating in extracurricular events illustrates the fact that the freshmen have become well-rounded students.

Hark ye to the fresh greenies who will soon be running the show!

The Knights and Ladies of St. John is the foremost spiritual organization of Marian High. Much was said about the new name, but after a good explanation the name fell right in with the great Crusader spirit exhibited throughout the school year.

Previously the word "spiritual" tended to discourage students from participating in the organization. However, after witnessing the renewed "spirit" shown by the Knights and Ladies in their many candied apple sales, group discussions, canned food drives, and their mixed retreat, students are now seeking membership in this fine Sodality.

Its practical and spiritual end is a closer knit student body with a strong devotion to our Blessed Mother.

Before and after school, the Amateur Radio Club Station is on the air, communicating to other amateurs throughout the country. WB6SUY (the call designated to the club by the Federal Communications Commission) has been active in all sorts of Amateur Radio activities.

The Marian High School Amateur Radio Club's main activity each year is to "open the door" to anyone interested in communications and to help him obtain an Amateur license, so that he too might be a part of the fascinating hobby of amateur radio. The necessary code and theory to obtain an amateur radio license is taught to anyone expressing a sincere desire to become a "ham" radio operator.

Officers include Pat Connell, Bob Long, and Theresa Montano.

PEP CLUB

OFFICERS
Al Garza, Kathy Fox, Mr. Gorsich, Terry Daly, and Lupe Garcia.

If you've been wondering about the imaginative posters which seem to pop up all over the school right before a game, you might be surprised to learn that they are the product of our silent, but active, Pep Club.

You may remember the "old" Pep Club of last year on which we won't waste any words. Well this year has brought a new, more organized, better representative club. For one thing—efficient members are elected, two from each section, to represent that section. In this manner the club has been limited in size, 41 members, including the cheerleaders. The club's moderators are Mrs. Buck and Mr. Gorsich, who give advice and lend time and help to the projects.

The Pep Club is primarily organized for stimulating spirit and enthusiasm for all Marian inter-scholastic athletic events. With the new wood-framed posters, cleverly designed ribbons, and witty run-throughs, they seem to be doing a good job. By the way, all of these projects are designed and produced by club members and other interested students.

The Pep Club of Marian High School 1966-67, has sufficiently achieved its purpose which was evident in the high spirit and support of the students for our excellent teams.

TORCH CLUB

OFFICERS

Don Faddis, Alicia Giandoni, Father Bradley, Carol Story, Susan Southland, and John Santos.

The Torch Club is the Marian High Service Club and is the official host of all Marian functions. Their members are Marian's official receptionists. They do all ushering and directing of student traffic, and are on call when needed by the A. S. B. Council. They are composed of eight elected members from each grade and wear an officially approved sweater which is purchased by the individual members. They serve as co-host with the Block "M" Club for the Annual Sports Day, and they assist the A.S.B. Council on Olympic Day.

BACK: A. Giondoni, M. Johnson, A. Blakely, B. Bobic, and Father Lanphier. FRONT: B. Maruca, J. Butler, J. Collet, J. Show, H. Ursetti, and David Palmer.

The Revelers, the dramatic society of Marian, was the first club to have its constitution approved. It meets monthy and is open to all. The main objective of the Revelers is to develop enthusiasm and talent, and to produce the many dramatic productions of the school. To become a fully accredited Reveler, a student must earn sixteen points, each point representing two hours of work on rehearsals, stage, or business staffs. Until they become active members, all aspirants to Reveler membership are referred to as candidates. Recognized active Revelers have the privilege of wearing the official Reveler pin.

Elected officers include Pres. Bob Maruca; Vice President, Marolyn Johnson; Secretary, Rojean Hyde; Treasurer, Bill Giandoni; and Sergeant at Arms, John Collet.

Each year, the ten outstanding Revelers are appointed members of the National Thespian Society. Officers of this selective club are Pres., Dave Palmer, and V. Pres., Marolyn Johnson.

One of Marian's greatest assets is the school newspaper, the PAGE. This diversified publication gives the full picture of class activities, sports, and drama, with witty and occasional sober notes throughout. Published quarterly and usually distributed on Crusader day, this publication becomes the "talk of the campus," and students may be found sitting on benches or standing in small groups all devouring each written morsel to be found in the issue. The members of the Page staff are capable Crusaders devoting their free time to writing articles concerning news which would interest the average Crusader. Likewise the Page is one of the major clubs on Campus.

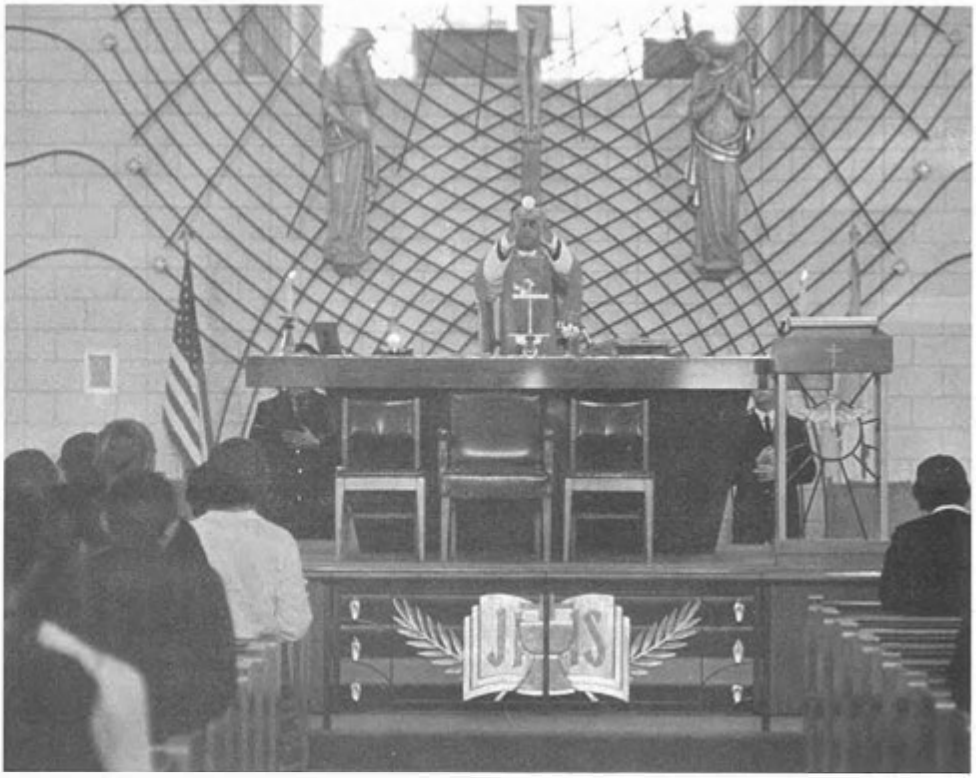
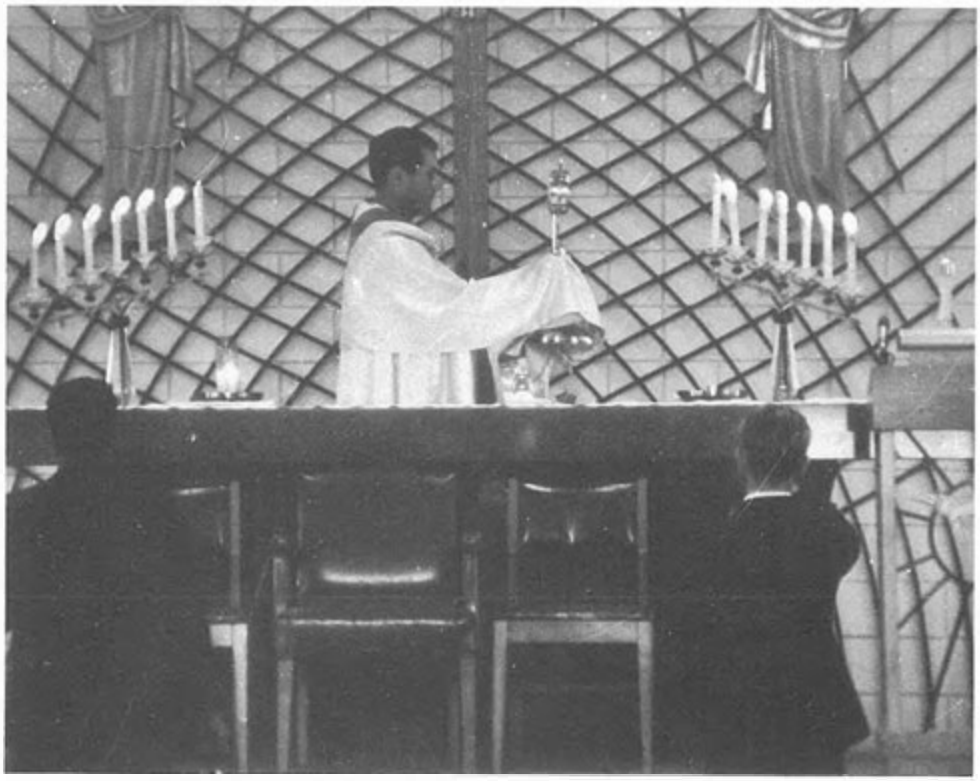
CRUSADER DAY



"Hoc est enim corpus meum."

Crusader Day is a time of spiritual renewal for Marian students—a period for reflection and growth. It begins with Holy Mass and closes with the formal presentation of the Student Leader Awards and Benediction of the Blessed Sacrament. In order for a student body to be solidly united it must work together spiritually as well as physically, socially and academically. The initiation of Crusader Day has made this a reality.



Benediction brings to a close Marian's first Crusader Day.

A TOUCH OF NEW ORLEANS—

MARDI GRAS

On February 6th and 7th, the Marian campus was the scene of what proved to be a highly successful and swinging Mardi Gras, complete with costumes, prizes and fun. The wide variety of booths set up served to provide entertainment for the whole family. They included a serene little Duck Pond for the mild mannered and a Water-Balloon Toss for the more aggressive in nature. Also in abundance were food and free prizes. The Grand Prize awarded at the ticket drawing was a 1967 Chevrolet Impala. Each day of the festivities was concluded with dancing to the sound of a live band. And last but not least was the coronation of the Mardi Gras King and Queen, Pat O'Neill and Patsy Cummings.

This gala event was sponsored by the P.T.G. together with the support and aid of the entire student body.

Due to their fine coaching, the J.V.'s had an excellent season.

MARIAN UNDEFEATED IN PRE-SEASON

MARIAN - 39 POWAY - 39

Marian's 1967 football season began with a thrilling contest against its long standing rival. Crusader spirit was at an all time high for this game. We were out to end the rumor that the Titans were going to be champs again. Against seemingly overwhelming odds, Marian jumped to a 21-0 lead in the early minutes of the game. After an interception and a fumble the Titans closed the gap making the score 21-20 at the half. Poway's fumble at the kickoff helped increase Marian's lead. The game ended in a tie and the Crusaders undefeated.

MARIAN - 19 WEBB - 0

In their second game Marian faced the defending Class A Champs at Webb. The first to score was Dennis Seely as he swept around the left end with a 35 yard run. John Warner tallied the second touchdown. The remainder of the game seemed as if it would be scoreless with the defense battling it out. Suddenly, with only a few minutes remaining, George Gonzales ran through the middle for a 20 yard touchdown play.

MARIAN - 21 CALIPATRIA - 20

Marian was facing its last threat to an undefeated season before league play when they met undefeated Calipatria. Marian was the first to score with Jerry Herrera carrying in a one yard run. They followed by scoring an all important extra point. Calipatria came came back to score but failed on the extra paoint as Marian took the half time lead 7-6.

The rest of the game remained close, Calipatria scoring with a minute and a half remaining to make the score 21-20. Then pulling a successful onside kick, they seemed to have the advantage with the ball now on our 30. However, Marian countered with a brutal rush by ends Mike Durham and Pat O'Neill pushing Calipatria back to the 40. With 4th down and long yardage to go they had to pass. Happily the pass landed in the hands of Jerry Herrera and Marian won another game.

LEAGUE ACTION

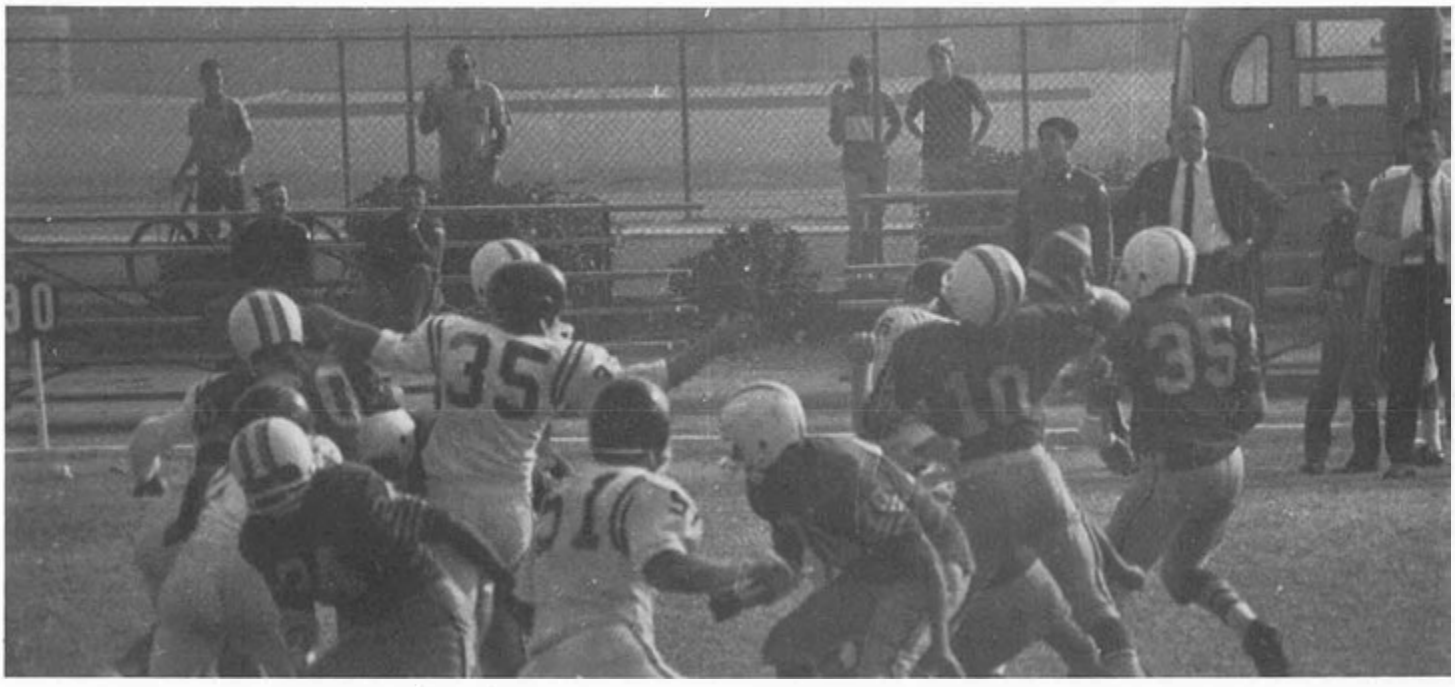
Dan Padilla throws key block to spring Ernie Candelaria loose for long yardage.

MARIAN 28 - ARMY-NAVY 0

Under the direction of Tom Brocato, who was replacing injured John Warner, the Crusaders mounted four scoring drives with halfback Dennis Seely crossing the goal line for three of the four scores. Pat O'Neill was responsible for the other score, catching a 36 yard pass from Brocato. Marian's defense during this game was excellent as they kept Army-Navy on their own side of the field most of the game.

MARIAN 19 - ARMY-NAVY 13

Tom Brocato connected with Pat O'Neill for three touchdowns of 35, 30, and 15 yards in this close and exciting game. Marian was ahead 12-7 at halftime but found themselves behind 13-12 going into the final quarter. It remained this way until less than one minute in the game when Brocato threw his third touchdown pass. The defense held the Cadets to four plays and time ran out.



Tom Brocato cocks arm before firing pass to Pat O'Neill

George Gonzales returns punt 85 yards against Ramona for school record.

MARIAN - 53 RAMONA - 0

Marian's first game with Ramona before a large homecoming crowd had many thrills although the outcome of the game was never in doubt. The Crusaders scored eight touchdowns and at least one in every quarter while holding off all Ramona scoring threats. One of the high points occured when John Collet picked up a fumble and scored, making him the highest scoring lineman on the team.

Andy Koski picks up blocks after intercepting Ramona pass.

MARIAN - 45 RAMONA - 0

When Marian went to Ramona for their homecoming, they found it not so easy. Marian was held scoreless in the first quarter and left at half time leading only 13-0. However, after the first half they got rolling and scored 32 points. Dennis Seely scored 4 times on runs of 1, 2, 7, and 11 yards. John Warner, playing his first game since his injury, got a 15 yard touchdown run. Ernie Candelaria and George Gonzales supplied the rest of the scoring.

Pat O'Neill goes for long yardage after catching pass from Tom Brocato.

John Worner gets fine yardage from quarterback keeper against San Marcos.

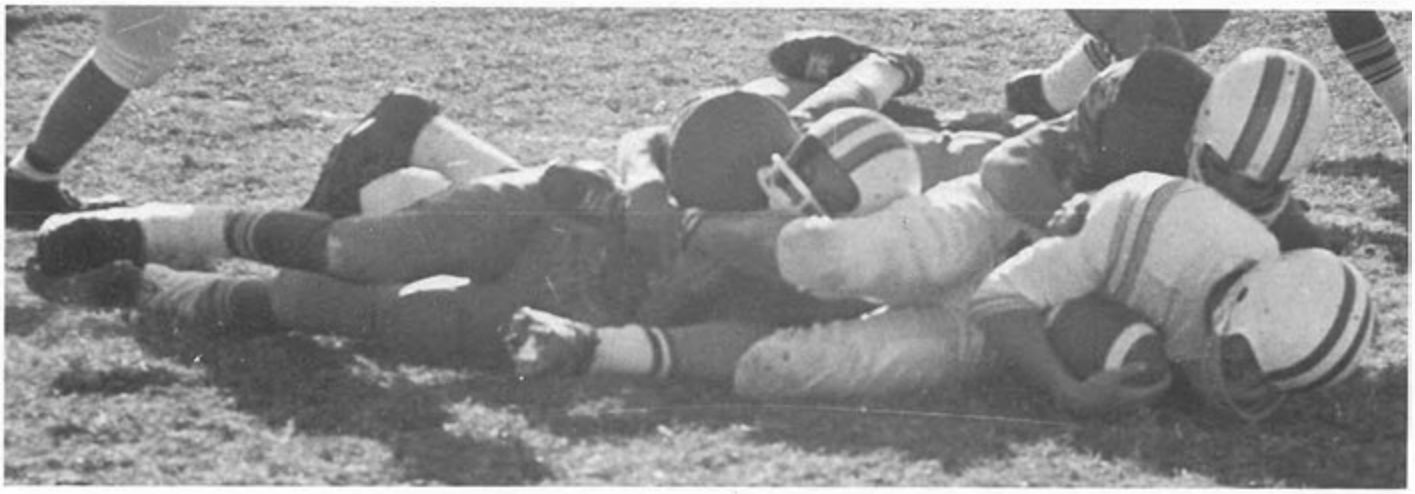
MARIAN - O SAN MARCOS - 7

This was Marian's best and most exciting game. With one minute remaining to play, the score was tied 0-0 with San Marcos having possession of the ball on Marian's 25 yard line. Marian had stopped all their previous scoring threats by intercepting 4 passes and picking up 3 fumbles. Then San Marcos completed its first pass of the game and they took the lead 7-0. The Crusaders did not give up and in this very short time took the ball down to the 30 yard line before losing it on downs.

Pat O'Neill catches a John Warner pass between two San Marcos defenders.

MARIAN 13 SAN MARCOS 47

In this game Marian was willing and fighting to avenge their only loss. It was a close game until Bob Maruca had to leave because of shin splits. Then the defense caved in and the Knights could not be stopped as they scored four touchdowns. Marian could muster up only two scores.



Mike Abraham and Ernie Candelaria make an excellent tackle of a San Marcos ball carrier.

THE 1966-67 SEASON

Marian's 1966-67 varsity basketball team proved to be the best in the school's history. The outstanding squad did everything from setting a San Diego County scoring record to winning the CIF championship.

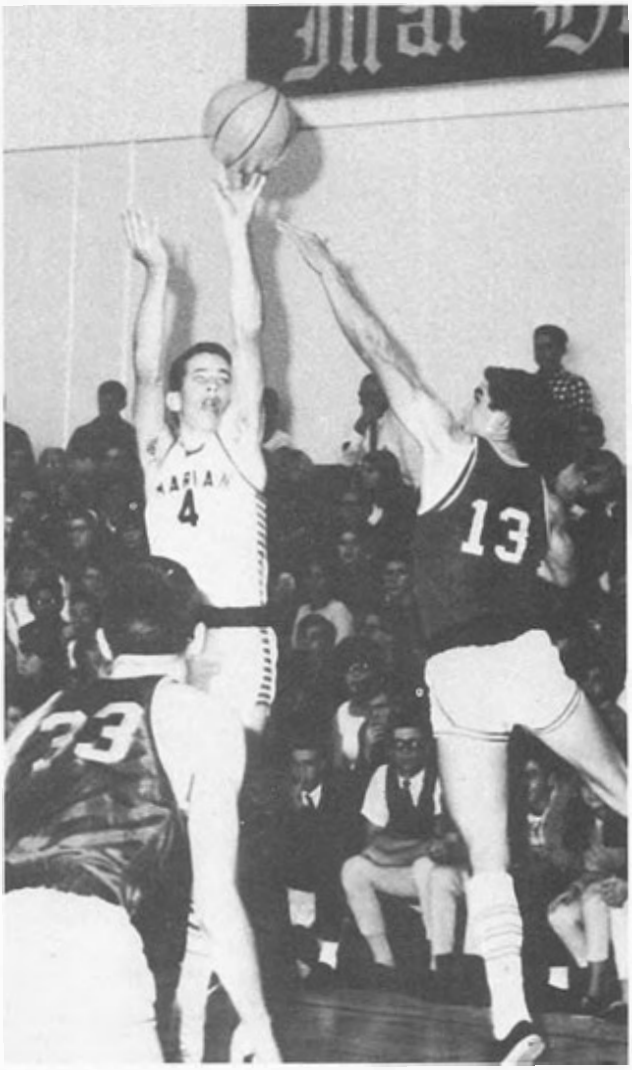
In pre-league play they had a big win over Mar Vista 69-59, which made Marian the Imperial Beach Basketball champs. The next night they went out and beat one of the school's biggest rivals Poway.

During Christmas they traveled to El Centro to take fourth place out of sixteen teams in the Elks Tournament. In the first two games they beat Grossmont League's El Cajon and Monte Vista. The third night they were upset by El Centro to ruin their hopes for the championship. For their excellent showing in the tournament, Bob Maruca and Dave Clingan were named to the all-Tournament team.

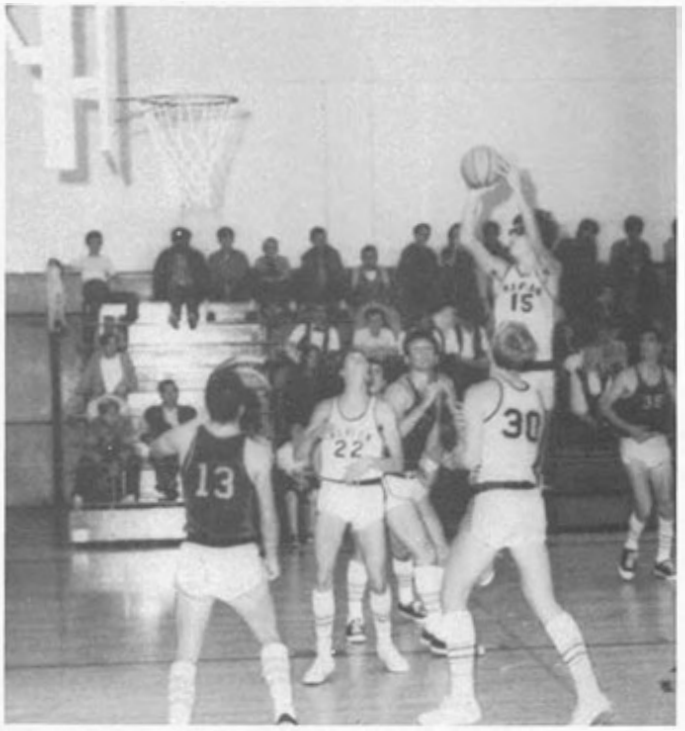
In league play, Marian had little trouble in defeating each league team four times to obtain a perfect 12-0 record and the school's first Palomar League Championship. They passed the century mark four times and at least once against each team in the league. Against San Marcos they scored 124 points to set an all time San Diego scoring record. At the end of the season Marian was crowned the top offensive team in the county.

In the final game of the season Marian faced the top defensive team in the county for the CIF championship. However, they found little trouble and beat La Jolla Day 92-60. This set a scoring record for a championship game.

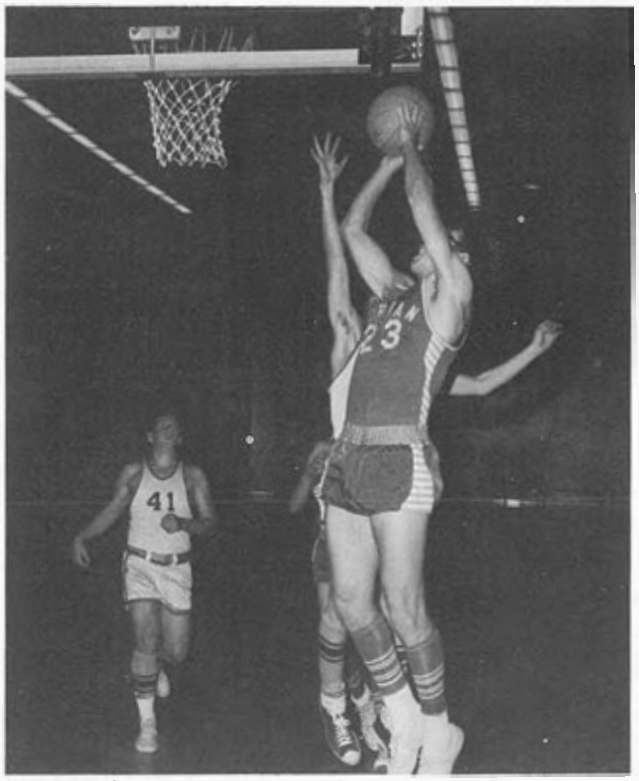
The talented ten ended the season with a 19-6 record, a 12-0 league record, a CIF championship, and many San Diego County and School records.



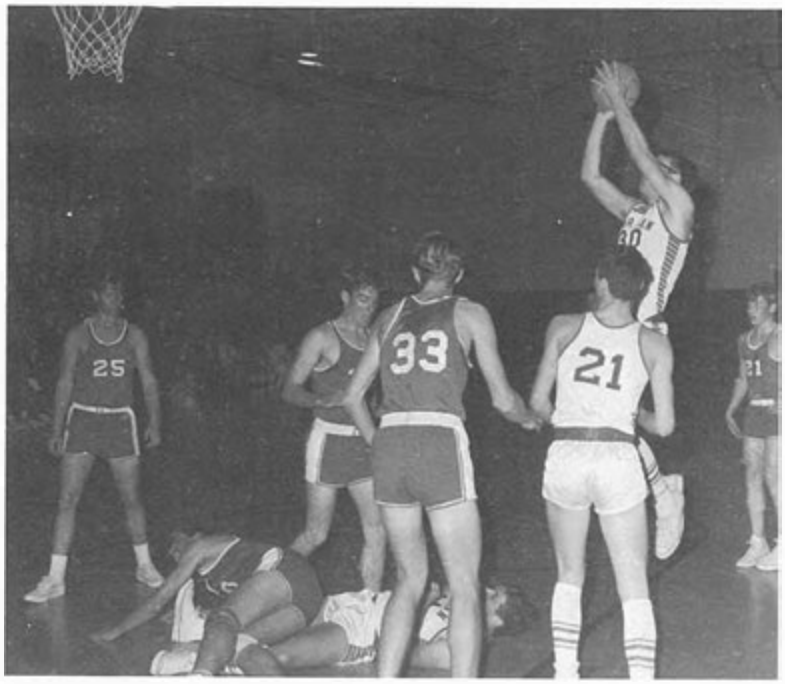
Dave Clingan puts up a long one for two points against Mar Vista.



Steve Bojo goes high above everybody to score on a short jump shot.



Pat O'Neill scores a bucket from the baseline against Army-Navy.



Bob Maruca attracts the attention of the opponent and John Warner takes a short jump shot.

ALL-LEAGUE

Marian accomplished a first in the history of the Breitbard Athletic Foundation when it put four men on the five man All Palomar League team. Of the four Dave Clingan was named "Player of the Year." Dave compiled a 19.7 league scoring average which was tops in the league.

Mike Durham a 6'0" center and Pat O'Neill a 6'2" forward were also named to the honor squad. Mike was fourth in the league in scoring with a 14 point average. Pat took the league's fifth place scoring position and was the team's second leading rebounder.

Steve Bajo, only a junior, was the fourth Crusader selected. He was the leading rebounder on the team and was runner-up in the league scoring race.

Besides placing four on the first team, Bob Maruca was named to the second team and John Warner made honorable mention.

Marian's freshman basketball team's 12-7 record was the best in the school's history for a freshman team. Like the varsity and the Junior varsity squads they set a record for the most games won in a season and established a game high scoring record.

In pre-league play they compiled a 4-3 record with big wins coming over Saints and Coronado. Saints had beaten them earlier but the frosh came back to even the score.

In league play they were 8-4 and came in second. Their only losses came from San Marcos, who in one game only beat them by one point. Even up to the last game, they were in the running for the title, but could not come up with the big win.

On this outstanding team Ron Modic led all scoring with a sixteen point average. John showed his talents and led the team in rebounding. Matt Decker, Phil Bajo, and Jim Bryant proved to be great assets to the team.

Front row: left to right, Marlene Taylor, Theresa Jennings, Donna Downs, Michele Brooks, Nita Blackinton, Vivian Padilla, Pam Hyde. Back row: left to right, Pat Hasegawa, Katy Watkins, Peggy Cannavin, Janet Brink, Sharon Waters, Georgie Teague, Mrs. Buck.

Under the guidance of Mrs. "Coach" Buck, Marian has introduced a new sport; girls basketball. Working out daily, the girls prepared for their first encounter with an opposing feminine five. Although the sport is usually regarded as a man's game, these girls have attacked it with an unusual enthusiasm. They made a tremendous showing in their first two starts although losing both hard-fought games. Their inexperience was their only handicap as they played schools with greater depth. Katie Watkins and Georgie Teague are two of their top stars.

The girls give a demonstration of their free-throwing talents.

BASEBALL '67

Diamond action in the pre-season stints produced some surprising results. After dropping the opener to Poway 9-2, the Crusader nine bounced back defeating Coronado 1-0 with a brilliant one-hitter from Tom Stuart. Mar Vista was the next victim of the heads-up Crusaders, succumbing 3-1. The next three games yielded no visible profits as the Metro leaguers Coronado, Hilltop and Chula Vista handed our team consecutive losses, Marian's batters improved impressively but mental errors were taking their toll. The Lions Tournament provided stiff competition but Crusader "Hittin & Hurlin" sparked considerable attention towards Marian. Avenging their former defeat the Crusaders embarrased highly-touted Hilltop 5-3, while Steve Bajo and Oscar Parra scattered seven Lancer safeties. Next morning Stuart went the distance, shutting out Monte Vista 2-0 giving the Crusaders access to the semi-finals against the Dons of University. Unfortunately errors proved to be Marian's downfall as all Marian's eight runs were well, well earned, resulting from nine hits.

For Seniors Bob Gutierrez, Ernie Candelaria, Oscar Parra, Bill Denton, Mike Abraham, Bini Rojo, and Jacob Stohler, should prove highly successful. As for Steve "Duke" Bajo, Jerry "Golden Glove" Herrera, Tom "Hound-dog" Stuart and Steve "Pee-Wee" Reed, we would like to wish continued success.

Brian French pitches the J.V.'s to a Victory over Poway.

Marian's 1967 Junior Varsity baseball team may prove to be the best in the school's history. Under the guidance of Coach Wages the young team has shown a great deal of promise. Nine-tenths of this team are sophomores. It has had a fine pre-season and should do well in the league. In the first game they beat Poway 6-5 and a little later blanked Bonita Vista's varsity 14.0. Terry Daly and Brian French led the pitching attack with Pat Procopio behind the plate. A few of the other stars are power hitting first baseman Charlie McCarthy, Mike Bajo, Oscar Ortiz, and Mike Prisbylla.

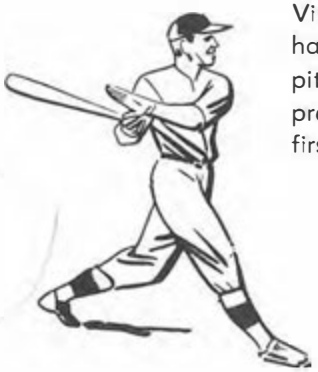
FROSH BASEBALL

Top row: Coach Milton, T. Veling, M. Decker, R. De La Rosa, R. Tello, A. Luna, J. Bryant, J. Cummings. Bottom row: S. Reneau, J. Macasieb, R. Modic, R. Garner, R. Seewald, D. Leonard, P. Bajo.

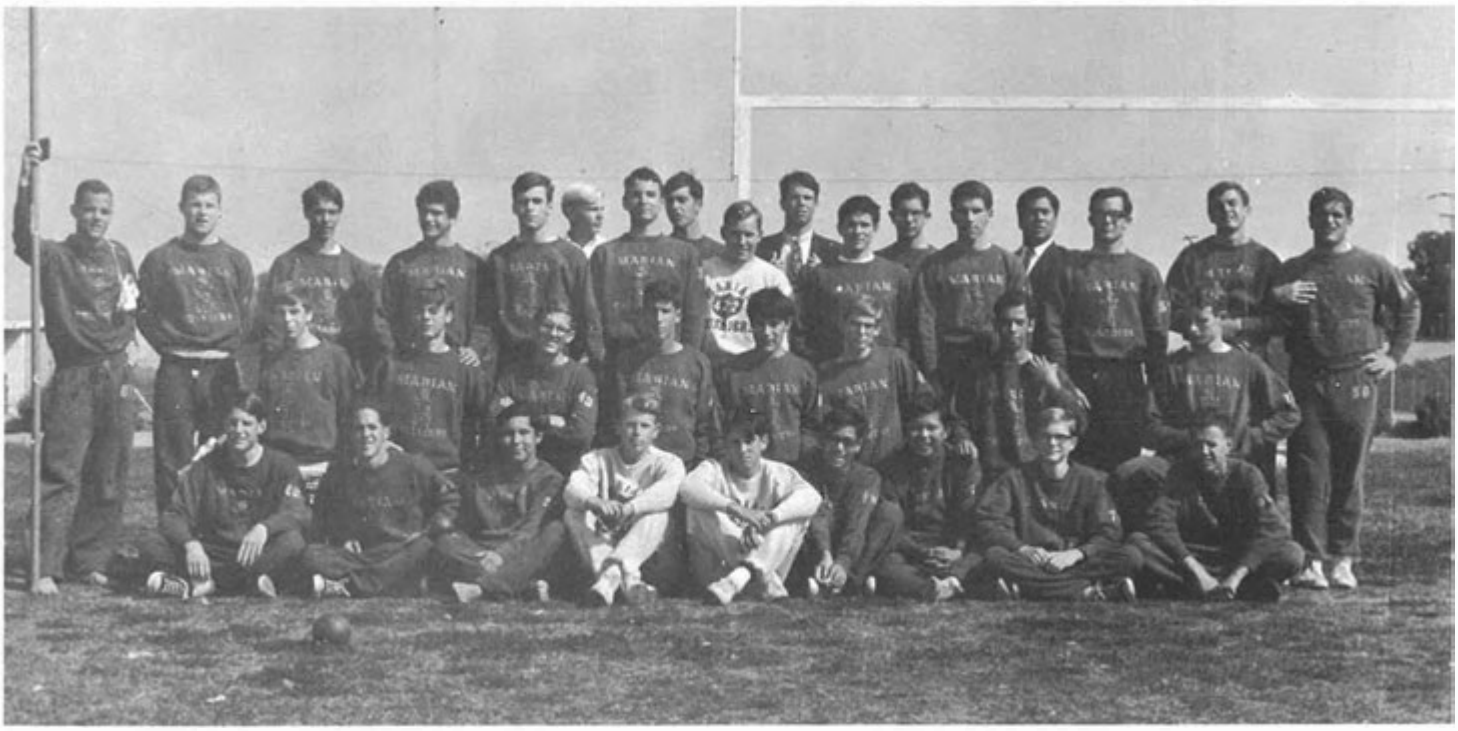
Of all the fine athletic teams the class of 1970 has come up with this year, the freshman baseball team is obviously the best. This, unlike most teams, does not have a weak spot. They have three excellent pitchers in Al Luna, Ron Modic, and Rick Garner, and many exceptional fielders. Besides playing outstanding defensive ball, they all hit very well.

The frosh infield is made up of Ted Veling at first, Geronimo Macasieb at second, Ron Modic at short, and Rick Garner at third. The outfielders include Matt Decker, Jim Bryant, and Phil Bajo. Rudy Tello is the team's catcher and does an excellent job behind the plate. From their excellent performance it can be seen that Marian won't have to worry about getting good baseball players for a long while to come.

In preseason play the frosh came up with many wins and a few disappointing losses. Two of the biggest wins came over Saints and Bonita Vista. The victory over Saints marked the third time this year that they have overcome their crosstown rival. Against Bonita Vista, Al Luna pitched a fabulous game as the frosh beat their J. V. Team. From their preseason record it appears that this will be the team to bring Marian its first freshman Palomar League championship.



TRACK



Back Row: F. Juric, T. Brocato, M. Durham, D. Rodriquez, J. Blakely, B. Burnett, B. Larkin, J. Santos, J. Butler, P. O'Neill, G. Gonzalez, J. Mohr, W. Wilga, J. Pappas, D. Seely, A. Koski, B. Maruca. Middle Row: J. Moran, T. Wright, J. McKnight, B. Lastrico, S. Rodriquez, M. Erpenbeck, A. Garza, P. Leonard. Bottom Row: J. Kirkpatric, M. Zinn, R. Olivares, J. Horan, K. Miller, A. Leon, F. Wong, B. Blakely, A. Sobieck.

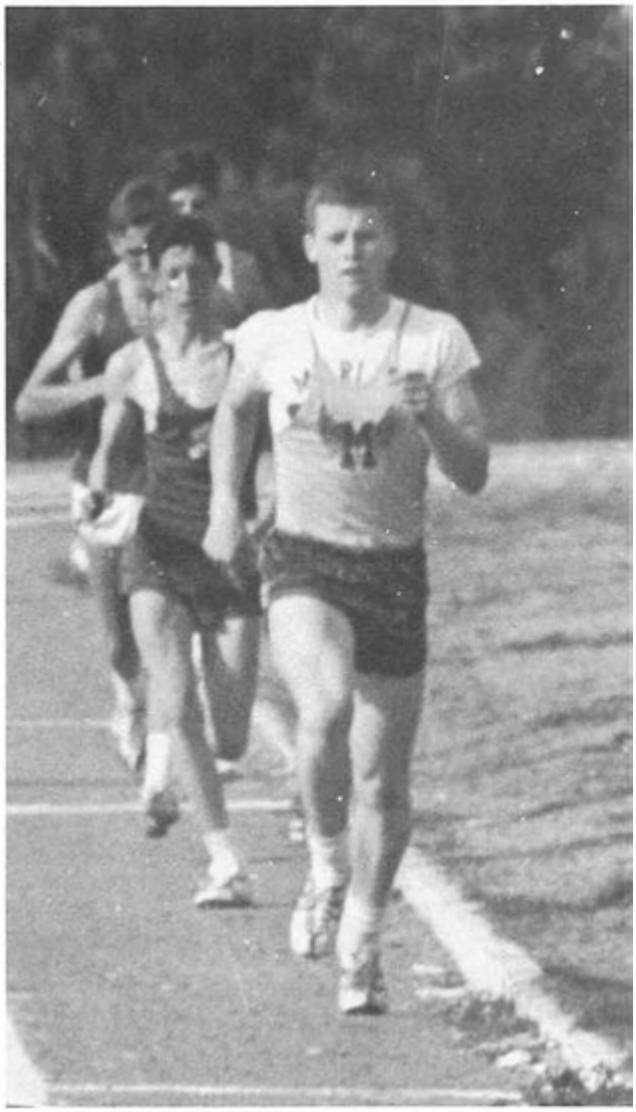
This year's track team is capable of becoming the most most powerful in the school's history. From last years results and from the first track meet of the year it is easily seen that this prediction might come true. In the distances we have two miler Tom Brocato and miler Bob Larkin; both of whom won the league yast year in their respective races. Mike Durham who took second in the 1320 last year has moved to the half mile where he has turned in an excellent time. Jim Mohr and Frank Juric from many long weeks of preseason training have developed into two excellent runners. Jim has concentrated on the mile and has turned into a first rate miler. Frank, last years 660 star, is running the 440 at a very fast pace.

In the sprints we have speedsters such as George Gonzales, Andy Koski, Dennis Seely, and Danny Padilla. All four have turned in under 10.5 hundreds and George Gonzales holds the school record with 10.2. Jim Blakely another fast man is Marian's best 220 sprinter. Representing Marian in the hurdles are David Rodriquez and Mike Durham in the highs, and Bob Maruca and Dennis Seely in the lows. Bob holds the school record in that event.

The field events find Marian with some very good contenders. In the high jump springy Pat O'Neill is likely to break many records. In his first attempt this year he cleared 5'11". Bob Maruca should have little trouble winning the shot put as he has thrown over 44 feet several times. Mike Durham and Graham Suggs have both cleared 9' after having pole vaulted for only one week in their lives.

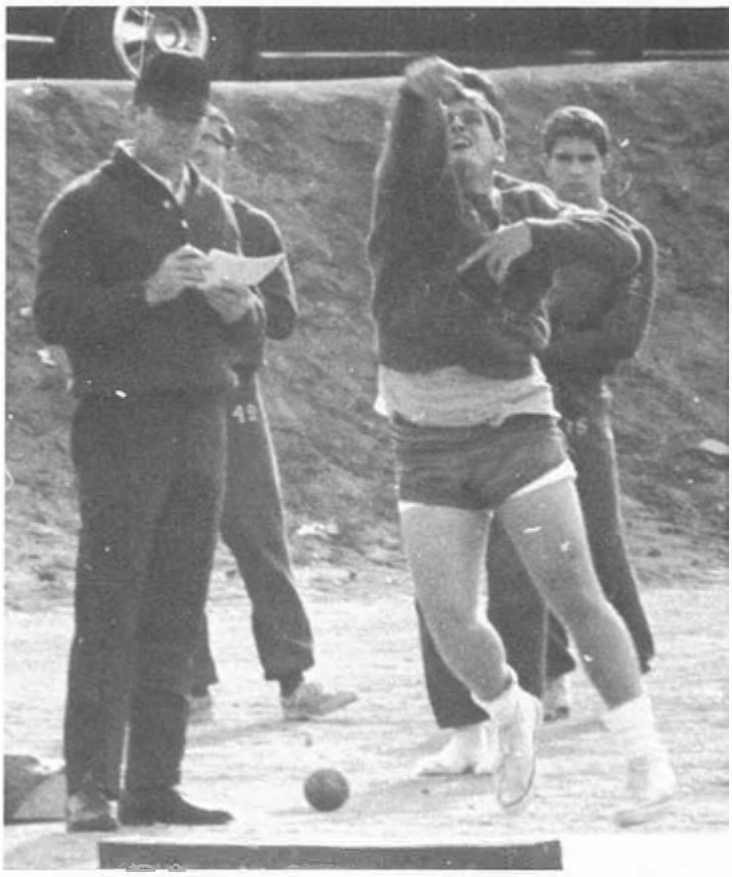
The B team also shows a lot of promise with such men as pole-vaulter Jim Griffin, high hurdlers Pat Leonard and Mike Erpenbeck, sprinter Tom Wright, High jumper Jim Moran, Broad jumper Al Garza, and all all-around star in Bob Lastrico. The C squad made up entirely of freshmen should have little trouble in taking the league. Some of the speedsters are Rock Olivares, Mike Zinn, Bill Blakely, and Miller. Frank Wong and John Kirkpatric should keep them in contention in the field events.

On a whole Marian is looking forward to one of the finest track seasons ever.



Tom Brocato leads all runners after one lap and goes on to win the two mile.

Frank Juric appears to be floating in mid air as he broad jumps against Poway.



Bob Maruca shows record breaking form in the shot put.

The first fall production, **Arsenic and Old Lace,** met with enthusiastic response from everyone. Barbara Babic and Maxine Noffsinger pulled off a killing performance. Howie Ursettie in his charge up San Juan Hill was a real scene stealer. Co-starring with the "old ladies" was our active Homecoming Queen, Marolyn Johnson. Would you believe Bill Giandoni and Rock Garner convinced the audience that they were decrepit old men ripe for murder?

INSPECTOR BELSIZE . . . . . Oscar Parra
DAN . . . . . David Palmer

Night Must Fall, our mystery thriller, featured a number of our more active Revelers. Oscar Parra, our ASB President, made his first appearance and proved his hitherto unknown ability in the historionic art. David "baby face" Palmer (a quote from the text of the play) played the role of the youthful psycopathic killer, while Mary Beth Jennings regaled the audience with laughter during her super dramatic scenes. Alexis Gregerson was the demure debutant deluded by Palmer's boyish wiles.

MR. GREY. . . . . John Collet
OFFICER HOGAN. . . . . Jim Blakely

The **Time of His Life,** agreed by all to be the best comedy of the year, was brought to the stage by a unique cast. Picture Bob Maruca as a part time "darky" and Paul Carvalho as a hypocondriac and you'll know what we mean. John Pappas was a sensational Uncle Tom, and Marolyn Johnson was at her usual best as Bob's sister. Oh, and let's not forget that sweet southern belle, Kathy Fox.

"Well, here I am." ..... So What!

"Are you going to propose to me too?"

"Blimey, it looks like Dick Tracy really got himself into a bloody mess this time."

Marian's fourth production, a three act Irish comedy, drew the largest crowd of the 1966-67 theatrical year. The leads, Alicia Giandoni and Jim Shaw, put on a sterling performance of this record breaking Broadway hit. Patricia Toth, in her first appearance, and Paul Carvalho did outstanding jobs in their supporting rolls.

Governor and Senora Fernandez de Rodriquez stroll on deck. (John Pappas and Lani Barfield)
