

Wearing Many Hats!

As a member of the Varsity Tennis, Track & Field, Drama Club, Campus Ministry, and serving as the ASB Historian, **Eric Trus** captured the Crusader Spirit all throughout campus

Eric Trus loved his time at Mater Dei and wanted to continue to make Mater Dei “the place to be” well after he graduated. As the school’s first historian and a member of MDTV, Eric captured many important school events and activities on camera, documenting various aspects of campus life. With the help and support of Ms. Leon, Ms. Rolston and Mr. Smith, Eric stepped into a newly created role at the school and photographed Mater Dei’s sporting events, drama productions and Crusader Celebrations. During his high school career, Eric served as Historian Commissioner of ASB for four years. He also ran, hurdled and pole vaulted in varsity track and field, played varsity tennis and participated in the Drama Club and Campus Ministry. Additionally, he earned the opportunities to be inducted into the National Honor Society and the California Scholarship Federation. Eric was also very involved in the Academy of Science, through which he was able to participate in a nursing internship at UC Irvine. Through this experience, Eric found that he could combine his passions for science and helping others. He will be attending San Diego State University in the fall to pursue a career in nursing. Eric recommends that other students at Mater Dei pursue their interests as well.
